

Giuseppe's Suite

# Giuseppe's Bedroom

called the "Green Room"

# 12

This is Giuseppe's bedroom. As you can see, it's a little dark and serious. Carolina probably didn't spend much time here!

Look at the bed. It's covered with a canopy, and it still has its curtains.

What were they for?

They kept the sleeper nice and warm because even if houses had big fireplaces, they were really cold, a lot more cold than our houses, today.

Even in this room, there are animals to look for!

If you look carefully, you'll find two lions and even paws!

Answer: on the table, there is a bowl with the heads of two lions; at the bottom of the table, there are the paws
